**Re: PIN 3755.98 - North Hunter Brook Bridge Preservation Project
Public Information Meeting**

Dear Property Owner,

Popli Design Group has been retained by the City of Auburn to provide engineering services for the above mentioned project. This project is currently in the planning stages and the anticipated construction is scheduled for the 2016 Construction Season. The project includes replacing the existing pipe culvert at Schwartz Drive over North Hunter Brook and re-lining the existing culvert pipes at McIntosh Drive over North Hunter Brook.

As part of the design process for the project, we would like to personally invite you to participate in a Public Information Meeting to discuss how this project will affect you, a resident/landowner with property adjacent to this project. The meeting will be held on Wednesday July 29, 2015 from 3:00 – 7:00 p.m. in the First Floor City Council Chambers, located at Memorial City Hall, 24 South Street, Auburn, NY 13021.

Representatives from the City of Auburn Department of Engineering, and Popli Design Group, will be present to accept questions, comments, and concerns you may have pertaining to this project.

Should you have any questions regarding the project, please feel free to contact Mr. William H. Lupien, Jr., P.E. – Superintendent of Engineering Services by phone at (315) 255-4132 or by e-mail wlupien@auburnny.gov.

Sincerely,

Mark R. Laistner, PE
Director, Bridge Design
