Citizen Participation Plan Overview

Introduction

This Citizen Participation Plan has been developed to provide citizens and other interested parties with opportunities to participate, review, and comment in the planning, implementation and evaluation of the HUD funded Community Development Block Grant (CDBG) programs that primarily benefit The City of Auburn’s low- and moderate-income residents and areas in the City of Auburn. The Citizen Participation Plan is available to the public.

Promoting Public Participation

The Citizen Participation plan serves as a guide for how the City of Auburn will involve citizens in the process of developing the Five-Year Strategic Plan (Consolidated Plan) and Annual Action Plans. The City of Auburn is required by law to follow a detailed Citizen Participation Plan that describes the City’s policies and procedures for public involvement in the Consolidated Plan process and the use of Community Development Block Grant (CDBG), funds.

This plan is designed to promote citizen participation, especially those living in low and moderate income neighborhoods. The City of Auburn encourages participation of minorities, non-English speaking persons, and people with mobility, visual or hearing impairments. The City of Auburn also encourages the participation of residents of public and assisted housing developments and recipients of tenant based assistance in the process of developing and implementing the consolidated plan, along with other low income residents of targeted revitalization areas in which the developments are located.

Copies of the Citizen Participation Plan, as well as the Consolidated Planning process and Action Plan process are available on the City of Auburn Office of Planning and Economic Development website and will be made available, upon request to the City of Auburn Office of Planning and Economic Development, in a format to be understood by persons with visual impairments and by non-English speaking persons.

The Five-Year Strategic Plan and Annual Action Plan Process

The primary purpose of the programs covered by this Citizen Participation Plan is to improve communities by providing decent housing, a suitable living environment, and increasing economic development opportunities, principally for low and moderate income people. The City of Auburn encourages participation of all citizens in the Five-Year Strategic Consolidated Plan process and Annual Action Plan process.

- Five-Year Strategic Consolidated Plan – a five-year plan that documents the City of Auburn’s housing and community development needs, outlines strategies to address those needs, and identifies proposed program accomplishments

- Annual Action Plan – an annual plan that describes specific CDBG funded projects that will be undertaken over the course of the upcoming fiscal year

- Consolidated Annual Performance and Evaluation Report (CAPER) – an annual report that evaluates the use of CDBG funds

Stages of the Consolidated Plan and Annual Action Plan Process:

1. Identification of housing and community development needs through current Census data, The City of Auburn’s Comprehensive Plan, and completed neighborhood plans.

2. The process for the draft Consolidated and/or Annual Action Plan, begins in October.

3. In October/November a public meeting is held by the Office of Planning and Economic Development to promote and encourage public input on the Consolidated Plan and Annual Action Plan.

4. In December, the CDBG request for proposals for Human Service Agency Programs are posted on the City of Auburn’s website, distributed to agencies, organizations, individuals/agencies/organizations that have requested via email or postal mail and advertised in the local newspaper The Citizen.

5. CDBG Human Service Agency Program applications are reviewed by an Application Review Committee, which is comprised of individuals of the community including local government, public housing, local foundations and
active community members. Funding recommendations are presented in the Consolidated and/or Annual Action Plans to City of Auburn Council members.

6. The City of Auburn holds two Public Hearings to gather further community input. The first Public Hearing is held in November at the City of Auburn Planning Board meeting and the second Public Hearing is in January at a City of Auburn Council Meeting.

7. In January, a 30-day comment period provides opportunity for the public to review and comment on the draft Consolidated and/or Annual Action Plan. The start and end of the public comment period is advertised in the local newspaper *The Citizen*.

8. City of Auburn City Council formally approves the final Annual Action Plan and Five Year Consolidated Plan. Once approval has been received from City Council, the Consolidated or Annual Action Plan is submitted to HUD for review and approval.

9. The implementation of the programs outlined in the Annual Action Plan follows the City of Auburn’s Program Year July 1\(^{st}\) through June 30\(^{th}\).

10. The Office of Planning and Economic Development reviews and evaluates funded programs and agencies, including onsite monitoring visits, throughout the year.

11. On occasion it may be necessary to change the use of the funding budgeted in an Annual Action Plan, or to change the priorities established in the Consolidated Plan. In that case, a formal substantial amendment will be proposed by the Office of Planning and Economic Development then reviewed and acted upon by City of Auburn Council. Description of a substantial amendment and necessary procedures is outlined further in the Citizen Participation Plan.

12. After a program year is complete, a Consolidated Performance and Evaluation Report (CAPER) will be drafted by the Office of Planning and Economic Development. A 15-day public review and comment period is required prior to a public hearing. A public hearing is held prior to the CAPER being submitted to HUD which must occur prior to the June 30\(^{th}\) submission of the CAPER to HUD.
General Citizen Participation Requirements

Public Notice

There shall be advanced public notice once a federally required document is available, such as the draft Annual Action Plan or Five Year Consolidated Plan; any proposed Substantial Amendments to the Action Plan or Consolidated Plan, and the Annual Performance Report. In addition, there shall be advanced public notice of all public meetings or hearings relating to the funds or planning process covered by this Citizen Participation Plan.

Adequate Public Notice
Adequate advance notice is timely; it is given with enough lead-time for the public to take informed action. Although the amount of lead time can vary, depending on the event, a standard of 5 business days’ notice will be provided for all public meetings or hearings, unless otherwise specified. Specific amounts of time are given for different events later in this Citizen Participation Plan. The content of notices will give residents a clear understanding of the event being announced as well as a summary of the contents, purpose and location of availability of a document being discussed.

Forms of Public Notice

1. Public meeting notices will be published in the local newspaper *The Citizen* as display ads in a non-legal section of the newspaper. Public Hearings will be published in the legal section of *The Citizen*.

In addition, press releases may be sent to other publications and/or public broadcasters tailoring to special needs populations or minority individuals within the city.

2. Notice of public meetings will also be announced through flyers to neighborhood organizations, public housing agencies, religious organizations, Homeless Task Force members and agencies providing services to lower income people.

3. Notice of public meetings and hearings will be provided via the City of Auburn website and emailed to interested parties.

In addition, media outlets including but not limited to the City of Auburn’s Facebook page and twitter account will announce public meetings and public hearings. When available, the City will provide information to local public radio and television stations.
Citizens, public agencies, and other interested parties, including those most affected, must have the opportunity to receive information, review and submit comments on any proposed submission concerning the proposed activities, including the amount of assistance the jurisdiction expects to receive, and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low and moderate-income.

The City of Auburn will provide the public with reasonable and timely access to information and records relating to the data or content of the Consolidated Plan, as well as the proposed, actual, and past use of funds covered by this Citizen Participation Plan. Reasonable public access will be given to records about any uses of these funds during the previous five years.

**Standard Documents**
Standard documents include the draft and final Annual Action Plans, the draft and final Five Year Consolidated Plan, draft and final Substantial Amendments to an Annual Plan or Consolidated Plan, CAPER, and the Citizen Participation Plan.

**Availability of Standard Documents**
In the spirit of encouraging public participation, copies of standard documents will be provided to the public at no cost and within five working days of a request.

Upon request, these materials will be available in a form accessible to persons with disabilities, visual impairments or in a format to be understood by persons with and by non-English speaking persons.

**Places Where Standard Documents are Available**
Standard documents will also be available at the City of Auburn Office of Planning and Economic Development, other City government offices, Seymour Library and the City of Auburn official website.

**Public Meetings/Hearings**

The City of Auburn must provide for at least one public meeting and one public hearing per year in order to obtain public input, and to provide the public with the City’s responses to public questions and proposals. Public meetings and hearings are held by the Office of Planning and Economic Development.

Public meetings and hearings are held to address community development needs, review the proposed uses of funds, and review how funds were spent.

during the previous program year. The City of Auburn will hold a public meeting as well as distribute CDBG surveys in addition to the 30-day comment period of the draft Consolidated Plan to obtain the views of citizens on housing and community development needs, including priority non-housing community development needs. A public hearing will be held after the 30 day public comment period of the draft consolidated plan to discuss the proposed activities seeking funding. A final public hearing will be held after the 15-day comment period has ended and prior to the submission of the CAPER to HUD.

Access to Public Meetings and Hearings
Public meetings and hearings will be held only after there has been adequate notice, as described in the section titled Public Notice of this Citizen Participation Plan. Public meetings and hearings will be held at a time convenient to most people in the community, such as after normal working hours. Public meetings and hearings will be held at places not only accessible by bus and otherwise convenient to most people who may benefit from the use of funds, but also accessible by persons with disabilities.

Public Meetings/Hearings and Populations with Unique Needs
All public meetings and hearings will be held at locations accessible to people with disabilities, and provisions will be made for people with hearing or sight disabilities when requests are made at least five working days prior to a hearing. Also, translators will be provided for people who do not speak English when requests are made at least five working days prior to a hearing. The Stages in the Process

A. Identifying Needs

Because the housing and community development needs of low and moderate income people are diverse, priorities must be set in order to decide how resources will be allocated. This is the basic reason for the Consolidated Plan. In order to determine what the needs of the community are, the City of Auburn Planning Department will hold a public meeting as well as distribute surveys among community members to obtain and discuss community needs of low to moderate income individuals and low to moderate income areas. The needs will be prioritized according to public input.

The determination and prioritization of needs are included in the draft Annual Action Plan. The draft Action Plan will be published for comment so that the needs identified can be considered by the City and addressed in the Annual Action Plan.

B. Proposed Consolidated Plan and Annual Action Plan Programs

The City of Auburn implements the following procedures regarding programs funded in the proposed draft Consolidated Plan and/or Annual Action Plan:

Request for Proposals
The Office of Planning and Economic Development will provide human service organizations/agencies with a Request For Proposal (RFP) for funding through the Community Development Block Grant (CDBG). Applications will be distributed by mail, email and notification given to the public through the manner described in the Public Notice section of this Citizen Participation Plan. Applicants will be given four weeks to complete the RFP and return it to the Office of Planning and Economic Development.

General Information
In the RFP, the City of Auburn will provide an estimate of the amount of CDBG funding it expects to receive in the upcoming year, along with a description of the range of types of activities that can be funded with these resources.

Technical Assistance
City of Auburn Office of Planning and Economic Development staff will work with organizations representative of low and moderate income people who are interested in submitting a RFP to obtain funding for an activity. All potential applicants for funding are encouraged to contact City of Auburn
Office of Planning and Economic Development staff for technical assistance before completing a RFP.

Availability of the Draft Annual Action Plan
The City of Auburn will notify the public that a Draft Annual Action Plan is available as described the Public Notice section of the Citizen Participation Plan.

The Draft Annual Action Plan is available to the public at least 30 days prior to the date a Final Annual Action Plan is submitted to the City Council for their action. This will provide community members, including low- and moderate-income individuals a reasonable amount of time to review the plan and submit comments. After the 30-day review and comment period has ended the Consolidated Plan or Annual Action Plan is presented to City Council for their review and consideration. A public hearing is held at a City Council meeting, located in Memorial City Hall, City Council Chambers prior to City Council’s authorization of the submission of the Consolidated Plan or Annual Action Plan to HUD. This action also authorizes the Mayor to enter into a contract with HUD for the fiscal year entitlement funds.

The Draft Annual Action Plan will contain:

- HUD required sections
- HUD required Priorities Tables
- Written description of all proposed uses of CDBG Funds
- The written description will include the type of activity, its location, the amount of federal money to be allocated for the activity, and the amount of money allocated to benefit low and moderate income individuals
- All comments and views expressed by the public, whether given as verbal testimony at a public meeting or submitted in writing during the 30 day review and comment period. The Final Consolidated Plan and Annual Action Plan will have a section that presents all public comments

Copies of the Draft Consolidated Plan and Annual Action Plan will be made available to the public at no charge from the City of Auburn Office of Planning and Economic Development within five days of the request. In addition, copies will be available at the locations specified above in the section, Public Notice.

C. Amendments to the Consolidated Plan or Annual Action Plan
The Final Annual Action Plan will be amended anytime there is:

- A change in one of the Priorities presented on the HUD required Priority Table
- A change in the purpose, location, scope, or recipients of an activity. The public will be notified whenever there is an amendment as per the Public Notice section of this Citizen Participation Plan

Substantial Amendments
The following will be considered substantial amendments:

- A change in the use of CDBG funds from one category activity to another category activity such that there is a 20% increase or decrease in the amount of funding allocated to the activity
- A change in the scope of an activity, such that there is a 20% increase or decrease in the amount of money allocated to the activity
- The elimination of an activity described in the Annual Action Plan
- The addition of an activity not described in the Annual Action Plan
- A change in the purpose of an activity, such as a change in the type of activity or its objective
- A change in the location or audience of an activity

Contents of the CAPER
The CAPER will contain program performance detail required by HUD for Grantee Performance Reports. The CAPER will account for each activity in any Action Plan, until an activity is officially “closed out” or “reprogrammed”, with HUD’s permission, by the City of Auburn. For each activity the information will include, but not limited to:
