

PIONEERING A SUSTAINABLE FUTURE

Auburn Comprehensive Plan - Community Meeting & Presentation

Join us and understand how your input will shape the future of Auburn

AUBURN...

**OUR COMMUNITY
OUR VISION
OUR PLAN**

**...a dynamic place
with a thriving,
mixed-use downtown
as well as healthy,
safe, and cohesive
neighborhoods**

**...a vibrant tourism
destination that
builds upon and
protects the city's
cultural, historic and
natural assets**

**...a great place
because its people
come together to
guide the city's
future**

Please join us as we present the Comprehensive Plan. After a year of hard work and much community input, the City of Auburn is proud to release a draft of the City's Comprehensive Plan. This plan is the culmination of the thoughts, ideas, and opportunities our community has shared at a series of community meetings and workshops. Your input has allowed Saratoga Associates, our Comprehensive Plan consultant, to develop a plan for the City that will guide development in our neighborhoods, within downtown, throughout commercial and industrial areas, and along the Owasco River.

As we conclude this process, we ask that members of our community take an opportunity to review the plan that you have helped create. Community members are encouraged to attend this community meeting to hear about the Comprehensive Plan, learn what the next steps are, and to provide feedback. Your input and feedback is essential as we finalize the City's New Comprehensive Plan. For more information please contact the City of Auburn Office of Planning & Economic Development. A draft of the Plan will be available on the City's website at www.ci.auburn.ny.us.
