From: Parks and Recreation Department

Re: 2016 Softball Season

Date: 3/9/16

Please find listed below some changes as well as old policies that will aid your team when preparing for the upcoming 2016 season.

- 1) The City of Auburn's Adult Recreation Softball League is scheduled to begin on Monday, May 2, 2016. All finalized rosters must be completed and all fees paid by Friday, April 8, 2016. Schedules will tentatively be posted on the City of Auburn's website during the week of April 18<sup>th</sup>.
- 2) There is a good chance due to the lack of players and teams for the A-League, those players may have to integrate in to the B-League, therefore causing more of a disproportion in the leagues. With the composition of leagues geared more to a recreation style of softball, there will be a need to balance off the leagues by the strengths and weaknesses of the roster. That will cause an inability to form leagues based on nights of preference. Attempts will be made to accommodate teams but no guarantees are made. If a team is only available to play on one night, you are encouraged to not file a roster.
- 3) The umpires' fee schedule has remained at \$34 per game this season. This means that each team is responsible for paying the umpire \$17 before the game begins.
- 4) As in past years, teams must finalize their team rosters by the filing date of 4/8/16. This allows the League Coordinator an opportunity to sort out and place stronger and weaker teams in the various divisions for a more competitive league and playoff schedule. If teams are in need of adding players to their roster, a Player Addition form must be obtained and completed and then reviewed and approved by the League Coordinator prior to participation.
- 5) The consumption of alcoholic beverages is *strictly prohibited* on city property. This policy will be enforced and violators will be prosecuted. If alcohol is observed in the team bench areas or in the spectator areas, the game will be stopped.
- 6) As always, when a team advances to a playoff or when a rainout is rescheduled, teams probably will not be playing on the same night as they did for their regular schedule. If a team is unable to advance to playoffs for this reasoning, please contact the Parks and Recreation Department and that team will be withdrawn from the playoff schedule.
- 7) Prior to placing a team in the league, it is mandatory that all managers review and understand the attached rules. **\*Team managers: After reading the above information, please sign below, then detach this page and hand it in to the Parks and Recreation clerical staff when turning in your roster and fees.**

### 7. Switching Teams:

- A. A player may switch teams with approval from the Superintendent of Public Works and Sports Supervisor to an upwards division. ie a B Slow Pitch player may switch to A Slow Pitch.
- B. An A Slow Pitch player **may not** switch to a **B Slow Pitch team**.
- C. Players will not be permitted to laterally switch teams during the season unless approved by the Superintendent of Public Works and Sports Supervisor and only under extenuating circumstances.
- D. Players are not permitted to play with more that one team in the A and B slow pitch classification. Please see cover sheet.

Any player found to be in violation of rules five, six or seven will be fined \$40.00 and suspension determined by league coordinator and reviewed by Superintendent of Public Works. Further violations will result in possible termination.

8. The Sports Supervisor will decide on which teams are placed in the "A", "B" or "C" leagues for the 2016 season. The City of Auburn Department of Public Works reserves the right to place teams in the various leagues depending on skill level of the players. Previous year records, roster evaluation and player representatives will be methods that will determine placement and classification of teams in the various leagues.

The City of Auburn Department of Public Works reserves the right to cancel leagues and refund sanction fees if the leagues are unable to form in the appropriate classification of skill level. The City of Auburn also reserves the right to determine how many players from a refunded team may join another team to compete in a different league.

9. Teams may purchase softballs through the Parks and Recreation Department.
10. Schedules will be posted to the City's website: [www.auburnny.gov](http://www.auburnny.gov) sometime during the week of April 18, 2016. Please be advised that schedules are not being mailed at all this year. The team managers will be responsible for checking the website and providing copies to teammates.

All Men's Slow Pitch	6:00 p.m.
All Women's teams	6:45 p.m.

## 2016 Softball Rules and Roster

12. The home team is responsible for recording wins and losses on the master schedule. The master schedule is located on the Casey Park Office window or at the fields in the utility boxes behind the backstops. All teams are requested to check their individual wins and losses on a regular basis to ensure proper and accurate recording. Do not wait to the last game of the season to review your current standings, as it may become too late to be included in the playoffs.

**\*\* Teams will not be contacted by the softball coordinator to ascertain whether a game was won or lost. Those incomplete games will result in losses to both teams and team manager will accept the responsibility.**

13. Clifford I and Clifford II fields will be issued one set of bases for the season. Failure to return the bases to the boxes at Clifford I and Clifford II by the home team manager, and/or loss of those bases will not be the responsibility of the Public Works Department. Teams will become responsible for supplying bases upon loss of City issued bases.

14. Managers and/or players of those final games being completed on any given night are requested to ensure that the lock is secured on the utility box after recording the win/loss and placing the bases in the box.

15. In all Slow Pitch Divisions, the mat extended off the plate will become part of the strike zone. Any pitched ball conforming to the 6 to 12 foot arc and falling between the highest shoulder and lowest knee on the player from the ground will be called a strike by the umpire.

16. In an effort to reduce serious injuries to the pitcher from batted balls, a chalked line 6 feet from the back of the pitching rubber will be designated. The pitcher will be allowed to choose at the beginning of the game which pitching distance they wish to pitch from. Pitchers will not be allowed to switch the pitching lengths once the length has been determined. A new pitcher entering the game will be allowed to select his/her pitching distance. This rule can only be altered under the discretion of the umpire and only in the best interest of the game.

17. The base paths will remain at 65 feet despite the 70 feet indicated in the 2016 ASA rule book.

18. Games must start when scheduled as long as any nine rostered players are present. No out shall be declared if a team begins a game with nine in the absence of a tenth player. In slow pitch, a tenth player whose name is already on the roster, may enter the game prior to the completion of the fourth inning.

Without the appropriate number of players, teams may wait ten minutes, after which, game is forfeited.

A. In slow pitch a team may play with an extra player (EP) who may enter the game as a defensive player. That player who leaves the defensive position then becomes the (EP). No alterations to the batting order will be permitted unless a player enters the game as a fresh substitute.

1. Once a team starts with the 11 player (EP) they may finish with 10 or 9 players. However, an out will be declared in that player's spot that leaves the game.
2. Once a team starts with 10 players and loses player(s) to an injury or ejection, that spot in the batting order will be declared an out.

No team will be allowed to play with less than 9 players.

### 19. HOME RUN RULE:

The Department of Public Works will continue the home run rule from last season.

A Division – Each team will be allotted three home runs per game. Once team A hits the 4<sup>th</sup> home run, team B must match their 4<sup>th</sup> home run. If team A hits the 5<sup>th</sup> home run before team B hits their 4<sup>th</sup> home run, it will be declared an out. Teams will be allowed to match each other with unlimited home runs.

B Division – Each team will be allotted two home runs. Any further home runs after the 2<sup>nd</sup> will result in outs.

Teams are notified that the game will continue with a back-up ball after each home run. At no time should a game be stopped to retrieve the ball. The umpire will be responsible to enforce this rule. If there is violation of this policy, the rule will be terminated and we will finish the season with the past home run policy.

### 20. FORFEIT POLICY:

All men's and women's leagues are required to pay a \$68 forfeit fee to the **City of Auburn**. This forfeit fee will be refunded at the completion the season barring any forfeits during the season. In the event of a forfeit, the umpire fee will be deducted from the offending team's forfeit fee. The nonoffending team will **NOT** be responsible for payment of the umpire on that evening. A second forfeit will result in payment of the remaining forfeit fee and suspension from further league play.

21. A. Each player plays at his own risk. Any injuries sustained are paid for by each individual or group.
- B. **Blood Rule:** Any player who is injured during the contest and is bleeding from said injury will be removed from the game until such time as the bleeding has stopped. That player must remove all clothing which has been bloodied by the injury, prior to re-entry into the game.
- C. Failure to adhere to the Blood Rule will result in ejection of the player from the game.

### 22. PROTESTS:

- A. Protest must be made to the umpire at the time of the discrepancy. Protests must be written and forwarded with a \$25 deposit to the Department of Public Works within 24 hours of the discrepancy. If protest is upheld, the fee will be returned.
- B. Protest must quote section, paragraph, and number of rule violated, as it appears in the 2016 ASA Rule Book.
- C. The Sports Supervisor and/or Arbitration Board will decide all protests.

23. Any conduct not considered sportsmanlike will not be tolerated. Such players will be ejected from the game, and possibly from the league if the Sports Supervisor deems it necessary. Ejection will mean automatic one-game suspension. Any/all players ejected from a game are required to pay a \$40 re-entry fee to the Recreation Office prior to the next scheduled game. Any player ejected a second time will be suspended from league play for the season **OR** will be suspended for an indefinite amount of time. The above applies to individuals as well as teams. Unsportsmanlike action includes any verbal or physical abuse directed at another player, fan or umpire (i.e., swearing, pushing, intimidation, etc.). This rule will be in effect before, during, and after games. Violations of this rule will be automatic forfeiture of games involved. Those ejected players must leave the facility immediately. If the player remains at the location the game will be declared a forfeit.

24. ASA Softball Rules will prevail, unless otherwise stipulated, with ground rules stipulated by umpires. Any rules violation will result in games being forfeited. Any changes regarding rules and regulations must come from the Sports Supervisor.

25. Slow Pitch teams will be dressed in conforming colored shirts once the season begins.

### 26. Ball Rotation:

## 2016 Softball Rules and Roster

- A. Ball Rotation - All Men's Divisions: Two new balls shall be delivered to the umpire at the beginning of the game. The umpire will enforce the A.S.A. ball rotation policy.
  - B. Women's Divisions - one new ball and good back up ball shall be delivered to the umpire at the beginning of the game. Quality of back up ball will be left to the discretion of the umpire. If the back up ball is deemed unacceptable, a new ball must be provided.
  - C. Scorekeepers - all teams will be issued an official A.S.A. scorebook at the beginning of the 2016 season. The home team designated on the schedule will be required to maintain the official score.
27. In case of inclement weather, the Department of Public Works will be responsible for cancellation of games up until 3:30 p.m. of the day in question. The decision will **NOT BE MADE UNTIL AFTER 3:00 P.M.** If the game has not been cancelled by 3:30 p.m., teams must report to their scheduled field site at game time, at which time the umpire will determine if the game is to be played or not. **THE UMPIRES DECISION WILL BE FINAL.** At any field with multiple games per night, once a game is cancelled, the remainder of that night's games are cancelled. The softball hotline number is 255-4119. Cancellations can also be found on the City website: [www.auburnny.gov](http://www.auburnny.gov), and City of Auburn Parks & Recreation Facebook page.
28. All recreation softball games must be played as scheduled or declared a forfeit. Games will not be rescheduled for any reason, with the exception of rained-out games. Those teams who cancel games on their own by contacting the other team the game will be declared a forfeit.
29. Winning team's manager or representative will be responsible for publicity. He will make sure that the box score and details of each game are turned into the Citizen no later than 7:00 a.m. the day following each game.
30. A player must play in two games to be eligible for playoffs, unless otherwise stipulated by the Sports Supervisor.
31. **PLAYOFFS:**  
In the past, schedules have been supplied by the Recreation Office. We have experienced many problems with inaccurate, unidentifiable and unintelligible standing recordings by the teams. In addition, many playoff berths were not settled until games are played on the last night of the season. This caused many problems as teams were not prepared to begin playoffs the following Monday.
- To address and possibly resolve these problems, playoff schedules will be determined during the weekend (following the final night of the season) and supplied to the Department of Public Works early Monday morning. Team managers will be responsible for securing the schedule by contacting the Department of Public Works. **There will be no calls made by the Department of Public Works to those team managers who failed to secure the schedule!** The playoff schedule will begin the following week promptly giving all teams an opportunity to make arrangements with their individual players.
32. Playoffs will be limited to the pennant winners, runners-up or determined by the Sports Supervisor.
33. The ten run, five-inning rule, will prevail in all slow pitch games. In slow pitch, if either team leads by ten or more runs after five innings, the game will be awarded to the team with the most runs. The ten run rule will be in effect for the playoffs.
34. Any team allowing team members or spectators to consume alcoholic beverages on City property before, during, or after any game will be subject to arrest, suspension, forfeiture of games, and possibly all of the above. Team managers or captains are responsible to see that this rule is enforced.
35. Schedules will **NOT** be altered! Early schedule distribution will allow you to avoid any/all schedule conflicts. Inability to conform to this master schedule is a concern of yours and will not be the concern of this department. The early release of said schedule is a convenience for all teams so arrangements can be made in advance of scheduled games.
36. The enclosed rules and A.S.A. rules will govern league play.
