Re: Standings, Playoffs

As the final week of softball season approaches, all managers are reminded to review and record the most standings located on the main office windows inside the Casey Park complex and behind the backstops at Clifford I and Clifford II. A previous notice was sent and posted on the website earlier this month, however many of the leagues failed to update their standings. Please be advised that the playoff schedules will be determined by the finalized standings, therefore, those standings not completed will be omitted from a possible playoff berth. Thank you for your cooperation and consideration in this matter.
