On-Street 2-Hour Free Parking in Effect NEW Courtesy Ticket Program in Effect

The Mayor and City Council along with the Auburn Downtown BID have announced a new initiative that will take effect on Friday, May 28, 2021 and last through the end of the year 2021. Designed to welcome back customers to revive our small businesses in downtown Auburn as they fully re-open from the pandemic. Details of the program are as follows:

- On-street parking will be free for 2-hours. Parking enforcement will monitor the on-street parking to maintain parking turnover during Monday through Friday business hours, 9 a.m. through 5 p.m. Tickets will be issued to overtime violators following the free two hours.
- All areas of the downtown parking garage on Lincoln Street offer free 2-hour parking as part of this program.
- The city has implemented a new courtesy ticket program that will issue a courtesy ticket rather than a parking ticket if you have not received a parking meter violation ticket in the previous 6 months.
- The 2-hour free parking program will not be offered in the other city-owned parking lots due to the lots being provided mainly for long-term parking users.
