ADDENDUM No. 2 TO BID DOCUMENTS

To All Potential Bidders:

This addendum is issued to modify the previously issued request for proposal documents and/ or given for informational purposes, and is hereby made a part of the bid documents. Please attach this addendum to the documents in your possession. All proposers shall acknowledge receipt of any and all addenda, if any, listing the Addenda in their letter of interest.

1. Please use revised bid tab that is attached.
2. Is the entire site to be graded as part of Phase I or only the Phase I site extents to be graded?

The entire site should be graded including both Phase I and Phase II site extents. Phase I includes grading and drainage of the entire site with the exception of one manhole and underdrain for the play net structure in Phase II. Phase II of the project will be bid and awarded at a later date.

3. Is Section 3 required for this project?

Section 3 will apply to this project as the anticipated cost of the project is anticipated to exceed \$200,000. It is required to make best efforts, or to the greatest extent feasible to achieve the benchmarks required for the number of labor hours performed by both Section 3 workers and targeted Section 3 workers. The benchmarks required are 25% or more of all of the labor hours are worked by Section 3 workers and that 5% or more of all of the labor hours are worked by Targeted Section 3 workers. If the benchmarks are not reached, the qualitative efforts taken to meet the numerical goals must be documented.

All Section 3 forms must be filled out as directed as part of the bid documents and reporting as part of the awarded project.
