

'History's Hometown'

CITY OF AUBURN

Department of Municipal Utilities

Subject: Addendum #1, Biosolids Processing and Dryer Design

Date: June 4, 2020

To All Prospective Bidders:

Item #1: Facility visit

Any bidder may attend an onsite visit of the Water Pollution Control Plant, 35 Bradley St., Auburn, NY on Thursday June 11, 2020 to begin at 10:30am at the Administration Building. In order to limit groups to no more than ten persons it will be necessary to register with Tim O'Brien at tobrien@auburnny.gov to secure access to this facility. The following mandatory protocols will be observed to prevent and mitigate the exposure to and infection of COVID-19.

1. PUBLIC INTERACTION

- A. Visitors: In an effort to reduce the risk of exposure to COVID-19, the City shall require all visitors at City Work Sites and Facilities to comply as follows:
- All visitors shall use one point of entry at all City Buildings;
 - All visitors shall check-in upon arrival where their name, time and reason for visit shall be recorded
 - All visitors shall be required to wear face coverings upon entering and be provided one, if they do not have one available;
 - All visitors shall maintain social distancing; and
 - All visitors shall comply with all local, State and Federal laws, and any other best practices as recommended by the CDC, NYS DOH and CCHD.
