By Councilor Giannettino

April 7, 2022

**WHEREAS**, the City of Auburn (the “City”) intends to improve and expand the City’s existing skate park (the “Project”), located at Casey Park, 150 North Division Street, Auburn, New York; and

**WHEREAS**, the Project will include improvements such as removal of the existing skatepark equipment, excavation of existing asphalt, and installation of a new poured-in-place concrete skatepark; and

**WHEREAS**, the City intends to comply with the New York State Environmental Quality Review Act (“SEQRA”) and the implementing regulations set forth at 6 NYCRR Part 617 (the “Regulations”) with respect to the Project; and

**WHEREAS**, the City has prepared and completed Parts 1, 2, and 3 of the Short Environmental Assessment Form (“EAF”) for the Project, and compared the impacts that may reasonably be expected to result from the Project to the criteria for determining significance as identified in Section 617.7(c)(1) of the Regulations, which is attached hereto and incorporated herein; and

**WHEREAS**, the City Council has considered the significance of the potential environmental impacts of the Project and said review has resulted in a reasoned determination that the proposed action will NOT result in any large and important impacts(s) and, therefore, is one which will not have a significant negative impact on the environment.

**NOW, THEREFORE, BE IT RESOLVED**, by the City Council of the City of Auburn that based upon an examination of the Short Environmental Assessment Form and other available supporting information, the knowledge about the area surrounding the Project, and such further investigation of the Project and its potential environmental impact, the City Council makes the following findings and determinations with respect to the Project:

1. The City Council hereby approves and adopts the Short Environmental Assessment Form for the Project (Parts 1-3 with its supporting written elaboration), which is attached hereto and incorporated herein;
