

Cayuga Central Labor Council, AFL-CIO

February 25, 2020

Dear elected officials,

I am William Andre, the president of the Cayuga County Labor Council, AFL-CIO and I'm writing to invite all elected officials to join us on April 28th as we observe Workers Memorial Day. We use this day to remember those who have suffered and died on the job.

Four decades ago, Congress passed the Occupational Safety and Health Act, promising every worker the right to a safe workplace. Unions and our allies have fought hard to make that promise a reality—winning protections that have made jobs safer, saved hundreds of thousands of lives and prevented millions of workplace injuries and illnesses.

With that as the backdrop we the working men and women of Cayuga County use Workers Memorial day as a recommitment to safety for all each and every day.

Please join us:
