NEW YORK

City of
AUBURN NEW YORK

A Community Solar Program for NYSEG Customers in Auburn, New York

- 2014 City starts NYSERDA application for solar on the closed landfill
- 2016 CNY Regional Planning and Development Board launches municipal solar project RFP across central New York
- 2018 Project begins design, analyses, NYSEG studies, and permitting
- 2019 City executes the solar lease for the landfill
- 2020 City issues project approvals and the NYSDEC issues landfill modification permit for solar project
- 2021-2022 City issues building permit and equipment deliveries begin for Spring/Summer 2022 construction and Auburn homeowners, renters, and businesses are invited to enroll in the community solar program

What is Community Solar?

Community solar lets you share the benefit of clean solar energy without the hassle of installing panels on your home.

Instead, solar panels are located at community solar farms across New York State.

HOW DOES THIS GREEN ENERGY OPTION WORK?

1

You and your neighbors support green energy by joining Solar Farms New York.

2

Your solar farm feeds green power into your community's electricity grid.

3

You get one simple consolidated bill from your utility with the solar power received, discounted by 10%.

Why Community Solar?

We are helping New York State reach its ambitious goal of 100% renewable electricity by 2040.

- Everybody can participate
 - Homeowners AND renters AND businesses
- Guaranteed 10% savings and no up front costs
 - You don't pay anything until AFTER you receive credits on your NYSEG bill
- No rooftop or land required
 - Auburn project is located on the City's closed landfill
- Cancel any time with no penalty
 - Only obligation is to pay for credits *already received*, just like we pay our utility bills

without penalty*

Consistent with New York's clean energy goals, the Auburn Community Solar Project will produce clean, carbon-free solar electricity. This project will produce over 7,700,000 kilowatt hours of electricity every year, enough to offset the usage of over 770 households in the Auburn area! NYSEG customers who live in Auburn are eligible to sign up and receive a 10% discount on their monthly electricity costs.

- Must be a NYSEG electricity customer.
- Customers can remain with a third-party electric supplier (ESCO) and still take advantage of the savings.
- Customers who already have solar panels on their property are *not* eligible to enroll.

Enroll online or call us! Have your bill handy.

You will *never* pay more with Community Solar:

- ✓ No Enrollment Fees
- ✓ No Monthly Fees
- ✓ No Cancellation Fees
- ✓ **NOTE:** *All customers will receive ONE BILL from NYSEG which will show your savings.*
