Public Meeting Will Focus on the Future of Bradford Street Playground

The City of Auburn Office of Planning and Economic Development will be hosting a public meeting on Wednesday, May 29th, 2019 from 5pm to 6:30pm at the Bradford Street Playground (Bradford Park). Residents in the Bradford Street neighborhood are invited to share their thoughts and ideas on the future. Bradford Park is located on the corner of Bradford Street and Howard Street.

Within the upcoming year the City is looking to make improvements to Bradford Park. These improvements will be made in accordance to The City of Auburn 2016 Parks Master Plan. The Park Master Plan had significant input, which resulted in two different park layouts for Bradford Park. We would appreciate your insight on which park layout and play equipment would best suite Bradford Park.

In the event of inclement weather the location of the meeting will be moved to City Hall, Council Chambers, at 24 South Street.
