

Auburn Beautification Commission presents...

Let's clean the Owasco River!

**JOIN US TO CLEAN THE
OWASCO RIVER AND HELP
PROTECT THE ENVIRONMENT!**

Sat., April 20, 2024

**Mill Street Dam area between
Osborne St. & Miller St.**

Hydroelectric tour at 9:30 am

Volunteer Clean-up 10 am - 12 pm

Residents of Auburn are invited to celebrate Earth Day 2024 and help provide some spring cleaning for the Owasco River from the area of the Mill Street Dam through Market Street Park in downtown Auburn.

9:30 am: the City of Auburn Department of Municipal Utilities will be on hand at the Mill Street Hydroelectric Facility to provide an Earth Day tour of the facility. Learn more about how the Owasco River flow is turned in to energy.

10 am clean-up: volunteers are asked to meet by the Mill Street Dam where Canal Street intersects with Osborne Street in Auburn. Volunteers are encouraged to bring their own gloves and rakes. Supplies such as garbage bags and leaf bags will be provided.
