Continuing with our department’s efforts to create dialogue with the citizens that we serve, the Auburn Police Department is proud to partner with both, The Auburn Downtown Business Improvement District as a First Friday Event, as well as Historic Grounds Coffee. ‘Coffee with a cop’ gives the citizens of Auburn a chance to sit down with police in a neutral setting, allowing both parties to get to know one another and address any questions or concerns they might have. Also in attendance will be some of Auburn’s elected officials. What better way to have a conversation than over a cup of coffee!

The Historic Grounds Coffee location allows our community an opportunity to interact with our officer’s without a specific agenda, just real conversation on topics that matter to them. This in turn continues the trust building between community members and the police with the goal of creating a stronger partnership. The Historic Grounds Coffee shop is a new business located in downtown Auburn, having opened its doors in January of 2019.

The event will be hosted at Historic Grounds Coffee / 83 Genesee Street, Auburn, NY on the following date/time:

**Friday, May 3<sup>rd</sup>, 2019 from 5pm-8pm**
