

# 2019 SUMMER EVENTS CALENDER

Dear Residents,

On behalf of the Auburn City Council and our City staff we are excited to share with you the summer of 2019 music, movies and events calendar for our City parks.

We all value the quality of life that we have in Auburn and summer events in our parks offer fun for all. This year we have programmed more music and movies thanks to generous contributions from sponsors listed in this calendar. We will have events at parks this summer throughout the City and hope that you will save this calendar as a resource for you to keep track of all the summer fun.

We hope that you have a happy and safe summer in our City parks.

Sincerely,

Michael D. Quill  
Mayor
