324.1 PURPOSE AND SCOPE

Best Practice NYSLEAP - 8.4 - 28.1

This policy provides guidelines for the release of official department information to the media. It also addresses coordinating media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

324.2 POLICY

Best Practice

It is the policy of the Auburn Police Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect investigations will not be released.

324.3 RESPONSIBILITIES

Best Practice MODIFIED NYSLEAP - 8.4 - 28.1 (A)

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. In situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Commanders, Shift Commanders, detectives and designated Public Information Officers (PIOs) may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

324.4 PROVIDING ADVANCE INFORMATION

Best Practice NYSLEAP - 8.4 - 28.1 (A), 28.1 (C)

To protect the safety and rights of department members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police. This includes deliberate exposure of a person in custody to members of the media for purposes of photography or video.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or the presence of the media would unreasonably endanger any individual or prejudice the rights of any person or is otherwise prohibited by law.

324.5 MEDIA REQUESTS

Best Practice MODIFIED NYSLEAP - 8.4 - 28.1 (A), 28.1 (B)

Any media request for information or access to a law enforcement incident shall be referred to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

Best Practice NYSLEAP - 8.4 - 28.1 (A), 28.1 (B)

Access by the media is subject to the following conditions:

- (a) The media representative shall produce valid media credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.
- (b) Media representatives should be prevented from interfering and may be removed for interfering with emergency operations and criminal investigations.
 - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the PIO or other designated spokesperson.
- (c) Media interviews with individuals who are in custody should not be permitted without the approval of the Chief of Police and the express written consent of the person in custody.
- (d) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved member.

324.6.1 CRITICAL OPERATIONS

Best Practice

A critical incident or tactical operation should be handled in the same manner as a crime scene, except the media should not be permitted within the inner perimeter of the incident, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a critical incident or tactical operation in order to accommodate the media. All comments to the media shall be coordinated through a supervisor or the PIO.
