

The microsurfacing crew is scheduling road work to be performed on May 20, 2022 in the City of Auburn. Planned Microsurface streets by Suit-Kote Corporation:

Friday 5/20/2022:

Street	From	To	Procedure
Seminary Ave	Arterial, East	East Genesee St	Overlay Coat
Seminary Ave	Arterial West	Seminary St	Overlay Coat
Wallace Ave	Entire		Overlay Coat
Schwartz Dr	Standart Ave	Culvert	Overlay Coat
Teller Ave	Francis St	Walnut St	Overlay Coat
Arch St	Milligan St	Just east of Wood St	Overlay Coat
Anna St	Francis St	Owasco St	Overlay Coat
Walnut St	So Seward Ave	Teller Ave	Overlay Coat
Tech Park Blvd	Fingerlakes Cohoe	Allen St	Overlay Coat

Note:- Seminary Ave. from Arterial , East to East Genesee St. will be single lane and allow south bound traffic only.

- Schwartz Dr will allow single lane access to adjacent apartments.

- Tech Park Blvd will allow single lane access one way southbound only to Allen Street.

Suit-Kote will notify all residents with door hanger notifications stating that the road will need to be closed, and require residents to stay parked in their driveways or on adjacent streets until the material has reached its approximately 2 hour cure time, after which the streets will be open for traffic.

Microsurfacing is a 2-step process which will require a second coat (overlay treatment) following the initial scratch coating which could be installed either the same day or the following day, weather permitting. **Any planned work delays due to rain or other unforeseen circumstances will be rescheduled and the affected residents will be notified again.**

Thank you for your patience while we do these road improvements.

Thank you,
Auburn Engineering
